Director: Will Knight / Assistant Director: Jeremy Bowman

Dear Business Owner / Community Leader,

We are excited to announce that the Marion County Event Center & Sportsplex will be bringing back the Marion County Farm, Home, & Garden Show this coming April. This community-focused event will showcase the very best in agriculture, home improvement, landscaping, gardening, and family living—bringing together exhibitors, experts, and visitors from across Marion County and surrounding communities.

The Farm, Home, & Garden Show will serve as more than just an exhibition. It will be a vibrant gathering place where families, local businesses, and community leaders can connect, learn, and celebrate the region's heritage and future. With anticipated attendance in the hundreds, this event offers a unique opportunity for your business or organization to gain premium visibility and recognition as a community partner.

We invite you to consider becoming a sponsor for the show. Your support will not only help us create an engaging and memorable event, but it will also demonstrate your commitment to strengthening community life in Marion County. Sponsors will enjoy a variety of benefits, including:

- **Prominent brand exposure** before, during, and after the event
- **Logo placement** on event signage, programs, and promotional materials
- Opportunities to reach **hundreds of families and customers** in a targeted regional market
- Public acknowledgment as a **valued community partner**

We have created several sponsorship packages designed to fit a wide range of budgets and goals. Whether you choose to be a presenting sponsor, support specific activities, or advertise in the event program, your partnership will make a direct impact on the success of this event and the community it serves.

We would be honored to partner with you for the inaugural Marion County Farm, Home, & Garden Show. Please see the attached sponsorship opportunities for more details. If you have any questions or would like to discuss a customized sponsorship, I would be happy to meet with you personally.

Thank you for considering this opportunity to support our community while showcasing your business to an engaged audience. We look forward to working with you to make this year's Farm, Home, & Garden Show a tremendous success.

With gratitude,

Will Knight
